

WE ARE TAKING ALL POSSIBLE STEPS TO KEEP YOU SAFE WHICH INCLUDE MORE FREQUENT CLEANING OF THE COFFEE MACHINE AND THE AREA AROUND IT.

Please help us by following the steps below to help keep yourself and others safe when using the coffee machine.

Ensure you keep a safe distance from others at all times when around the coffee machine and station

Wash hands with soap or disinfectant foam for 20 seconds before touching the machine or any surrounding ancillaries.

Please add your milk and sugar to the cup before dispensing your drink

Don't use a stirrer

Please move away from the coffee machine as soon as you have your drink

Please wipe down the coffee machine after use with disinfectant ready for the next person

Dispose of your rubbish in the bins provided

ENJOY YOUR COFFEE!!
